

Swiss Senate Drumming Out 2026

27. – 29. November 2026

At the end of November 2026, we will gather in Solothurn — arguably the most beautiful Baroque town in Switzerland. And yes, even though we have met here before, this weekend will be different: new perspectives, new locations, new experiences — a familiar setting presented in a fresh way.

Friday | Arrival & Getting Together

The weekend begins in a relaxed atmosphere at the Rothus Halle. A time to reconnect, enjoy conversations, and ease into a very special weekend together. From Friday afternoon onwards, optional programme activities will be available — details and booking information will follow shortly.

Saturday | New Perspectives & Gala Evening

On Saturday at midday, we will head up to Solothurn's local mountain — a change of perspective in every sense of the word, offering impressive views.

In the evening, we will celebrate the Gala at the elegant Rythalle. A refined and enjoyable setting for the Swiss Senate Drumming-Out — festive, warm, and unforgettable.

Sunday | A Shared Farewell

The weekend concludes with a joint brunch, offering one last opportunity for exchange, reflection, and personal conversations before returning home.

All locations are situated within Solothurn's charming pedestrian old town and are comfortably within walking distance of the hotels. Short distances, wonderful atmosphere, and a weekend dedicated entirely to connection and community.
